EARLY FREE
Some few days ago, a man came to me, and said he had a horse that was very lame, and he wanted to know what I could do for him. I told him to bring the horse to my office, and I would examine him. He brought the horse, and I found it was a case of "early free." I gave him some medicine, and he was cured. I have cured many other cases of "early free," and I can cure yours. Write me for a list of my cures, and I will send you a bottle of my medicine for free.
